F2.1 - Fargo® Standard Series Printers

USD	
List Price	Contact RSM Unit Price

To Add a Smart Card Encoding Module Simply Change the Last Digit of the Base Part Numbers Above (for example, to add iCLASS encoding to a SS DTC1250e simply change the last digit from 0 to 6 or 8 resulting in a final P/N of 050006 or 050008)

Configuration No. (Change Last Digit of Part #)	HID Prox/Contact/Contactless Encoding Options (Factory installed options only)	List Price (Add to Printer List Price)	Unit Price (Add to Printer Unit Price)
6	Printer with an HID Prox, iCLASS, MIFARE/DESFire, and Contact Smart Card Encoder (Omnikey Cardman 5121 and 5125)	895.00	Contact RSM
8	Printer with an HID iCLASS SE, iCLASS, MIFARE/DESFire and HID PROX (Omnikey Cardman 5127)	799.00	Contact RSM

Field Upgrade Module Options - Refer to Section F1.0 for Pricing

047709	ISO Magnetic Stripe Encoder
047710	JIS II Magnetic Stripe Encoder

Notes: FZ Rev. 0215B

- Prices are in U.S. dollars. Taxes and shipping not included.
 - * A printer with an Ethernet connection will also come with a USB connection
- For ordering purposes, the Part Number is only the 6 digit numeric number. The DTC1250e printer is a regional printer and therefore only accepts full panel color ribbons which are compatible with the regional DTC1250e printer. A customer's regional printer type (2 letter regional code) and regional ribbon type (2 letter regional code) can be identified on a label located inside the ribbon compartment. **Whenever ordering full panel color ribbons (YMCKO and YMCKOK) for the DTC1250e printer, please make sure you order the ribbon with the correct Ribbon Part Number and proper 2 letter regional code in the description which matches the same 2 letter regional code of the printer in which it will be used.**
